About SCS?

Sussex Christian School (SCS) is a private school located in Sussex, New Brunswick. The New Brunswick Department of Education approves all academic programming at SCS. SCS is founded on the core belief that the school should always build up and partner with families, and prepare students spiritually, physically, socially, and intellectually to make positive contributions to their local and global communities. Faculty and staff are friendly, genuinely interested in each student's well-being, and desire to make SCS a "home away from home" for all students.

SCS At-A-Glance

International Scope: Pre-Kindergarten, Elementary, Middle, and High School. International programming includes full year and short term ESL (Summer & Winter).

Tradition: SCS was established in 1982.

Location: SCS is nestled in the rolling foothills of beautiful Sussex, New Brunswick - in the heart of the beautiful Canadian Maritimes. This safe, rural and picturesque community is approximately an hour from Fredericton and Saint John, both major city centres.

Academics: SCS prepares students for post-secondary success. New Brunswick provincial curriculum guidelines are integrated into a dynamic learning model.

University & College Placement:

Almost 100% of SCS graduates continue their education after graduation in Colleges and Universities in Canada, the United States, and internationally. Graduates attend excellent post-secondary institutions such as Dalhousie University, University of New Brunswick, Liberty University, University of Waterloo, St. Thomas University, and New Brunswick Community College.

Family-like Atmosphere: SCS students love coming to school each day in a safe, caring, accepting family-like school environment.

Co-curricular: SCS offers a variety of student activities throughout the school year including sports (both varsity and inter-murals), music, drama, field trips, numerous clubs, and community service opportunities.

Student to Teacher Ratio: The average student to teacher ratio in classes is 12:1.

ESL Programs

SCS offers both short-term ESL programming in January/February and July/August, and integrated ESL programming for middle and high school students throughout the school year. The ESL program utilizes proven successful curriculum, technology, and methodology to ensure that each student is a successful learner. The close and personal relationship between each student and the ESL teacher is also at the core of the student's success.

SCS Homestay Program

Students live in SCS-approved, loving, caring and structured homes located within minutes of the school campus. The Homestay Program includes all food, lodging and transportation for students during the entire school year and includes all holidays. Each homestay family is selected by SCS and care is offered to ensure that international students are "fitted" with the best family for their unique needs.

SCS Educational Travel Programs

SCS is committed to the student experience and ensuring that each student finds his/her best way to learn and foster interests. International students will be offered "experiential learning" opportunities throughout each school year. Multiple yearly trips integrating class learning objectives include New York City, Washington, Boston, Prince Edward Island, Ottawa, Quebec City.
